

## Sex Club

Sex Club is an information service, providing the end user with locations and invitations to sex parties, swinger's parties, details of hot dates and casual sex events across the UK.

Horny young adults can choose from a multitude of sex events all over the country and ranging across all orientations and fetishes. Joining Sex Club opens the secret sex clubs of the country to the end-user.

Users simply text the key word: gstring to: 89303.

Each day we send your subscribers a minimum of 4 messages at £1.50 each, giving them information on the latest sex parties and orgies taking place across the country. Our specially trained operators use their revenue generation skill to then average 14 billable messages for that one subscriber and also use the opportunity to up-sell other adult text based services to further increase the revenue gain from each subscriber.

This service is particularly appealing; it allows end users to access information discretely and conveniently.

A2B has the knowledge and experience of long term service provision, thereby providing your subscribers with the sexiest content and most up to date service.
