

Girls on Demand (Formerly WAP Intro)

'Hiya lads, I'm looking for cool guys in my area willing to have fun nights out. If you like what you see, please drop me a line.'

Girls on Demand is every lads dream, always there and always horny, Everyday a new girl sends you : four sexy full size wallpaper photographs; a full personal profile; her daily fantasy diary; a hot adult video and her online details enabling you to text her live for an adult text chat.

Girls on Demand is designed to deliver impact with high quality thumbnail and full size photographs and context with personal model profiles. These photographs provide excellent value, as each of them can be saved to provide a high quality screen wallpaper.

All these products are packaged into one simple WAP alert, which is designed for immediate up sell to: video downloads; fantasy stories and live text chat.

Designed for Revenue Maximisation

- Attracts immediate purchase through the offer of inclusive and exclusive sexy wallpapers
- Engages and entertains customers through the girls individual profiles
- Up sells customers with simple links to fantasy diaries and made for mobile video, specially shot for A2B.
- Up sells customers to live text, where we aim to send on average 14 text billable text messages each charged at £1.50.
- Multiple entertainment formats video, text and pictures guarantees the widest possible audience
- Ideal up sell for an existing text customer

We can design, deliver & host a customised WAP site. These sites are specially designed to increase revenues: by raising customer impact; presenting a range of content products; promoting brands and promoting your business.
